HANDS LOOKED
LIKE RAW BEEF

Terribly Inflamed, and Watery Matter Would Drop from Fingers—Had Doctor All Winter, But Grew Worse All the Time.

CURED BY CUTICURA
AT EXPENSE OF \$3.75

"My hands broke out with eczema. One of the best physicians in this section treated me all winter till the next spring, but I grew worse all the time. I tried everything I could hear of. At last in May my husband happened to be in the store and saw the Cuticura Remedies, and as a last resort bought them. Cuticura Soap, Ointment, and Resolvent. I commenced taking them, and when I had used three bottles of the Resolvent and the Soap and Ointment to go with it, I was cured. My hands were so bad and inflamed they were purple and raw as meat, and when I held them down, watery matter would drop off the fingers. I used the Soap to bathe them in and applied the Ointment spread on linen cloths, in which I did them up. I did not have the doctor when I was taking Cuticura, but I began taking it in May, and before cold weather my hands were entirely healed. You may use this any way you please, and I hope it will help other sufferers as it did me. (signed) Mrs. Abbie A. Saultes, West Danville, Vt., April 19, 1905."

ALWAYS TAKE MOTHER'S ADVICE.

Mother's Medicine Chest.

When we look back to childhood and think of what mother advised, we feel pretty certain that she advised what was right from her own experience. She inherited later in her mind of motherhood a knowledge of childhood ailments and a certain class of remedies that she knew well and their effects. Experience after all is the best teacher. Most mothers know as well as doctors, and often better, what ails a young girl on the threshold of womanhood, and what she needs.

For nearly forty years many mothers have recommended to ailing girls a prescription made from well-known and reliable ingredients. Lady's Slipper root, Golden Seal root, Black Cohosh root, Unicorn root, Blue Cohosh root and chemically pure glycerine make one of the best preparations for the periodical troubles and afflictions which visit womanhood at one time or another.

Prof. F. Ellingwood, M. D., of Bennett Medical College, says of Lady's Slipper root: "It exercises special influence upon nervous conditions, depending upon disorders of the feminine organs—relieves pain, restlessness, nervousness, etc."

Prof. J. M. Scudder, M. D., says of the same root: "It is valuable in all cases of nervous excitability or irritability. Of Golden Seal root, Prof. J. M. Scudder, M. D., Professor of Materia Medica at Hahnemann Medical College, Chicago, says: "It is a tonic useful in all debilitated states."

Prof. F. Ellingwood, M. D., author of "A Treatise on Materia Medica and Therapeutics," says of Golden Seal root: "It is an important remedy in disorders of the female system, especially in cases of irregular menstruation, dysmenorrhea (painful periods), it is surpassed by no other drug, being of the greatest utility in irregular and congestive conditions, dragging pains resembling the pains of rheumatism and for side ache." Of Unicorn root the American Dispensary writes: "It is one of our most valuable agents, acting as a uterine tonic, and gradually removing abnormal conditions, while at the same time it acts as a tonic to the reproductive organs, hence it is much used in leucorrhoea, amenorrhoea (suppressed periods), dysmenorrhea (painful periods), etc."

Dr. John E. Fyfe, Editor of the "Eclectic Medical Review," says of Unicorn root (Hemlock Dicks), one of the chief ingredients of Dr. Pierce's Favorite Prescription: "A remedy which invariably acts as a uterine invigorator and always favors a condition which results for normal activity of the entire reproductive system, cannot fail to be of great usefulness, and of the utmost importance to the woman suffering from irregularities in her system."

Helonias (Indian root) is a tonic and a stimulant, and is much used in cases of general debility and an atonic (weak) condition of the reproductive organs, as it increases the appetite and promotes digestion and assimilation. When there is atony (weakness) of the generative organs and a tendency to miscarriage, tonic influence upon the sexual system will aid much in bringing about a normal condition of the structures involved. In sterility and impotence its curative power is remarkable, and within a reasonable time it will restore to healthful activity all cases not dependent upon organic wrongs, and in leucorrhoea and defective menstruation it is a frequently needed remedy."

The following are among the leading indications for Helonias: Pain or aching in the back, with leucorrhoea; atonic (weak) conditions of the reproductive organs of women; mental depression and irritability, associated with chronic diseases of the reproductive system; amenorrhoea (suppressed menstruation), arising from or accompanying an abnormal condition of the digestive organs and an anemic (thin blooded) habit; dragging sensations in the extreme lower part of the abdomen."

If more or less of the above symptoms are present, no invalid woman can do better than take Dr. Pierce's Favorite Prescription, one of the leading and pre-eminent ingredients of which is Unicorn root, or Helonias, associated with other equally efficient medicinal extracts of native roots.

From the above extracts it will be understood why Dr. Pierce is so successful in curing diseases peculiar to women with a carefully prepared glycerine extract of the above mentioned roots in just the right proportions—this compound being called Dr. Pierce's Favorite Prescription. As a solvent and preservative, glycerine is superior to alcohol and is entirely non-detrimental. The "Favorite Prescription" is the only medicine put up for sale through druggists for the cure of woman's peculiar ailments that does not contain alcohol and that too in large quantities. It is also the only non-secret medicine for women sold by druggists. Its ingredients are printed in full on the bottle wrapper and in plain English.

Dr. Pierce feels that he can afford to take the medicine into his full confidence and lay all the ingredients of his medicines freely before them because these ingredients are such as are endorsed and most strongly praised by scores of the most eminent medical writers of all the several schools of practice as cures for the diseases for which these medicines are recommended.

Your druggist sell the "FAVORITE PRESCRIPTION" and also that famous alternative, blood purifier and stomach tonic, "Golden Medical Discovery." Write to Dr. Pierce about your case. He is an experienced physician and will treat your case as confidential and without charge for correspondence. Address him at the "Invalids' Hotel and Surgical Institute, Buffalo, N. Y., of which he is chief consulting physician."

It is as easy to be well as ill—and much more comfortable. Constipation is the cause of many forms of illness. Dr. Pierce's Favorite Prescription cures constipation. They are tiny, sugar-coated pills. One little "Pill" is a gentle laxative, two a mild cathartic. All dealers in medicine have them in stock. A good medical book, written in plain English, and free from technical terms is a valuable work for frequent consultation. Such a work is Dr. Pierce's Common Sense Medical Advice. It's a book of 1008 pages, profusely illustrated. It is given away now, although formerly sold in cloth binding for \$1.50. Send 10 cents in one-cent stamps, to pay for cost of mailing only for paper-covered copy, addressing Dr. R. V. Pierce, Buffalo, N. Y., or 31 cents for an elegantly cloth-bound copy.

ASHES IN 'TRISCO SAFES.

Contents of Hundreds of Vaults Destroyed by Fire.

San Francisco, May 4.—That the contents of a large number of the safes and vaults in the fire swept districts have been destroyed because evident yesterday. The contents—paper and money—of several safes that were prematurely opened, crumbled away.

The savings-banks are therefore unwilling to jeopardize the interests of their depositors by opening their vaults, a moment before it is quite safe to do so.

Withholding the last seventy-two hours of the safe and vaults have been opened in the district east of Powell and north of Market streets, and in not more than 60 per cent of those instances were the contents found intact. In many cases a pile of ashes represented thousands of dollars' worth of accounts.
